QUALIFIYING FACTORS:

1. *Clinical Criteria*
   - A. The defendant must have a clinical diagnosis of a substance use disorder, mental illness, traumatic brain injury, post-traumatic stress disorder, or co-occurring disorders.
   - B. The defendant must not pose an unacceptable risk to court staff, family, or the community.
   - C. The defendant must be amenable to treatment and acknowledge a willingness to comply with the recommendations of service providers based on the assessment reports.
2. *Legal Criteria*
   - A. The defendant must have misdemeanor charges pending in the Delaware Municipal Court.
   - B. The defendant must not be a violent offender as defined by Ohio Revised Code §2901.01(A)(9). In limited circumstances and under the court's discretion, violent offenders may be considered after consultation with all parties involved in the case, including the victim/victim's representative.
   - C. The defendant must be an individual who can be treated safely and effectively within the Delaware Mission Court.
   - D. The defendant must be a Veteran. The Delaware Municipal Court considers a defendant to be a Veteran if the defendant has previously served or is currently serving in the United States Military or has service with the Army/Air National Guard.
   - E. The defendant must plead guilty or be found guilty and agree to be placed on supervised community control through the Delaware Mission Court.
   - F. The Delaware Mission Court targets individuals with a moderate to high risk for recidivism and high need for treatment.
   - G. The Delaware Mission Court takes affirmative steps to docket and correct disproportionate census, inequitable services, and disparate outcomes involving those who have historically faced discrimination.

DISQUALIFYING FACTORS:

- A. Resistance to changing behavior.
- B. Legal issues regarding competency.
- C. Lack of transportation or the ability to obtain transportation.
- D. The offender is highly resistant to changing behavior after numerous interventions.
- E. Domestic Violence or other offences of violence unless the judge determine that the docket participation will not demean the seriousness of the offense and the victims do not object to the participation.
- F. The Offender is currently in Post Release Control of other types of supervision.
