If approved for the City of Delaware Prosecutor's Office Diversion Program, you must plead guilty and will be sentenced. If you successfully complete the State's Diversion Program, the Office of Community Control will file the successful completion paperwork with the Judge that vacates the conviction and dismisses the case. If you are unsuccessful with the Diversion Program, your sentence will be enforced (fine, probation, additional court costs, jail time, etc.), and the conviction stays in place.

The State's Diversion Program requires the following within 90 days of sentencing:

- **Diversion fee payment of $150.00**
- **Completion of 20 hours of community service**
- **Completion of program (anti-theft, drug related, and/or under the influence) and any additional programs if directed to do so by the Office of Community Control**
- **If required, payment of restitution**

If anything additional is required, it will be listed within your Diversion Program agreement.

You must report any changes to your address or events that could affect your ability to complete the Diversion Program.

You must submit to any drug or alcohol tests requested by the Office of Community Control.
